Nissan Forklift

Nissan Forklift Training Sudbury - Nissan Motor Co. Ltd prides itself on reaching total customer contentment when enjoying one of their car, truck or forklift products. They are committed to delivering high value and detail-oriented quality values to their clients. Incorporating a rich heritage combined with strong production principals, Nissan Forklifts supply some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering consumer support, the company has four independent production facilities that permit them to persistently adapt to their consumers continually evolving desires by offering a variety of modern ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, fabrication, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental accountability by using methods and processes that reduce their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their clients command while being an environmentally conscious corporation.

Nissan is confident that they will be able to address any client inquiries or concerns. Always available through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even visiting their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their warmth and commitment.
